## 2007 KELLER ESTATE PRECIOSO PINOT NOIR

From vineyard to bottle, at Keller Estate we pay careful attention to detail in every step of the winemaking craft. We lavish personal attention on each vine in the vineyard, taking care that each clone does well in the site in which it is planted, and we take every step to ensure that the fruits of our harvest are handled delicately and compassionately when they reach the winery. As the wines age and develop luscious flavors in the barrel, we have the marvelous experience of seeing how our hard work, has paid off.

Although all of the wines we bottle are of exceptional quality, every vintage we find several spectacular gems among our barrels worthy of our Precioso designation. Precioso is more than just a wine; it is a testament to the Keller family's dedication for creating elegant and sophisticated works of art.

Our **2007 Precioso Pinot Noir** lures you in with sumptuous aromas of plum, sweet Christmas spice, orange blossoms, ripe cherries and fragrant rose petals. The flavors open up in the palate, revealing soft, velvety tannins, a crisp acidity and a beautiful minerality. Dark, ripe Santa Rosa plums dance with spices, pomegranate and mahogany on the palate.
