2006 KELLER ESTATE PRECIOSO CHARDONNAY

From vineyard to bottle, at Keller Estate we pay careful attention to detail in every step of the winemaking craft. We lavish personal attention on each vine in the vineyard, taking care that each clone does well in the site in which it is planted, and we take every step to ensure that the fruits of our harvest are handled delicately and compassionately when they reach the winery. As the wines age and develop luscious flavors in the barrel, we have the marvelous experience of seeing how our hard work has paid off.

Although all of the wines we bottle are of exceptional quality, every vintage we find several spectacular gems among our barrels worthy of our Precioso designation. Precioso is more than just a wine; it is a testament to the Keller family's dedication for creating elegant and sophisticated works of art.

A luxurious rich, golden color is the first introduction to our **2006 Precioso Chardonnay**. Sensuous aromas of lemon verbena, caramel, butter, essential citrus oils, earth and lemon abound from this gorgeous wine. The entrance is crisp, with a rich mouth feel and a long, round finish. Flavors of lemon curd, butter and baked green apple linger on the palate. The fruit for this wine, from our oldest vineyard, was fermented and aged 15 months in a new Sequin Moreau "Grand Cru" barrel.
