

**2013 Keller Estate Precioso Sonoma Coast Chardonnay**

14.1% alc., pH 3.58, TA 0.607, 69 cases, \$75. A barrel selection from the excellent growing season in the Petaluma Gap. 100% malolactic fermentation. Aged in French oak barrels, 35% new. • *Light lemon yellow color in the glass. The nose reminds me of a day at the beach with aromas of sand and fresh salt air. There is also fruit notes of lemon and pineapple, and even a hint of plumeria. Impeccably crafted, fresh and clean like the ocean in Maui, with flavors of citrus, tropical pineapple, white peach and a hint of oak in the background. The genteel texture is a very captivating feature as well. Mahalo.* **Score: 95**
