

**2013 Keller Estate Precioso Sonoma Coast Pinot Noir**

14.2% alc., pH 3.63, TA 0.57, 70 cases \$75. A special barrel selection from the 2014 vintage. 100% de-stemmed, aged in French oak barrels, 35% new. *▪ Moderately light reddish purple color in the glass. A sophisticated offering with seeking aromas of dark cherry, blueberry, mushroom, underbrush and oak spice. A delicious array of darker fruits greets the palate with aplomb, expanding in the mouth and lasting like what seems 30 seconds on the finish. Perfect harmony, a deft touch of oak spice, and an earthy, savory bent that adds interest. Texturally very interesting, featuring dry, suede tannins that predict age ability. A regal offering that will please any Pinot connoisseur.* **Score: 94**
